AMENDMENT C

Hon. Comm. For Patents Washington, D.C. 20231

Sir:

This Amendment is filed concurrently with a Request for Continued Prosecution.

Please amend the following claims:

40. (Amended) A system for creating a list of selected titles comprising:
a source of works which may include, at least in part, an audio component;
a visual output device;

circuitry, coupled to the source and the output device, for building an inventory list of works and for creating a displayable list of works of at least some of the inventory on the output device wherein the circuitry includes instructions for selecting works to be included in the displayable list in accordance with a selected characteristic, and, for executing a plurality of such selected works.

41. (Amended) A system as in claim 40 which includes executable instructions for selecting works to be included in the displayable list in accordance with one of a selected audio characteristic, a selected video characteristic, or a selected popularity indicium.
